\*Different art on front and back

Minimum quantity 100

Setup charge includes cost per color and polymer plate.

#### Customer-supplied artwork

For best results, supply your artwork as .pdf with embedded fonts, and specify PANTONE® spot colors.

We are happy to help you with your art. It's always best to send us a preview for review.

Artwork prep charges may apply and will be advised upon receipt of your files.

Custom art and design available.

#### Round coasters

We can print multiple colors on the round coasters but we cannot register multiple colors. For designs that require tight registration, choose the square coaster style.
